Dolphin Watching

There are approximately 300 wild bottlenose dolphins that reside in the seas surrounding Amakusa. You will be able to witness their spectacular jumps and aerial performances as they swim alongside the cruise boats. These dolphins can be encountered all year round, giving you a uniquely memorable experience that cannot be had elsewhere.

Amakusa Gokyo Cruising

Matsushima in Amakusa is one of the three Matsushimas in Japan. Guests can enjoy the majestic views of the 5 bridges (Gokyo), numerous islands and the blue seas. Standing on the deck, feeling the sea breeze brushing your skin will feel like you are skipping across the sea. Simply being so close to nature and away from your daily life will be a therapeutic experience.
